Taylor & Francis has a flexible approach to subscriptions, enabling us to match individual libraries' requirements. This journal is available via a traditional institutional subscription (either print with online access, or online only at a discount) or as part of the Chemistry Subject Collection, the Physics Subject Collection and the Science and Technology Library. For more information on our sales packages please visit <http://www.tandfonline.com/page/librarians>.

All current institutional subscriptions include online access for any number of concurrent users across a local area network to the currently available backfile and articles posted online ahead of publication.

Subscriptions purchased at the personal rate are strictly for personal, non-commercial use only. The reselling of personal subscriptions is prohibited. Personal subscriptions must be purchased with a personal cheque or credit card. Proof of personal status may be requested.

Back issues: Taylor & Francis retains a three year back issue stock of journals.
